The production facility and offices of SIG SAUER AG have been located in Neuhausen am Rheinfall since 1853. High above Europe's largest waterfall, the Rheinfall, lies the SIG complex, which today resembles an innovation park. In the middle of it, we are located in „Building 33“.

The easiest way to find us is to follow the signs to Industrieplatz / Rheinfall and then enter the site as shown in the map below. We look forward to welcoming you at our facility.
